

Locate a person employment using social security number

by NW - Monday, May 14, 2007

<http://blog.searchbug.com/2007/05/locate-a-person-employment-using-social-security-number/>

If you need to locate a persons employment using [social security number](#) due to a judgment or to garnish wages, you've come to the right place.

Our network of professional investigators are licensed, bonded and insured and have the experience and know how to locate a person employment using social security number. They have located a person employment using social security number thousands of times.

Whether your are trying to find a persons employer using a [social security number](#), our verified employment locate also called a [Verified Place of Employment](#) or POE search is sure to help.

The investigators have a great track record and we can confidently say that if your subject is gainfully employed legally and the company is reporting wages and taxes properly your subject's employer will be located using a social security number.

If you are a spouse trying to verify employment for custody or alimony; or a law office working on a case and need to find an employer for a client; or a collection agency or collection department trying to garnish wages, this Place of Employment search is exactly what you've been looking for.

Here's a recent unsolicited testimonial from a customer that was trying to locate an old friend to return some belongings:

Wow...thank you VERY much. I will certainly recommend your service if I ever know of anyone else that needs it. I am quite sure that you saved me a lot of wasted time, and probably money, if I had used other Internet services.

I have been in contact with my friends, and returned their things to them. We had a great little reunion, and I now feel so good about myself that there is some sort of closure on this.

Thank you again for such excellent and speedy service!

And, you may use this as a testimonial if you want. Like you say... your name says it all!

Sincerely,
J.M. Cullen
